POLICY & PROCEDURES – 2024-005 (Adopted on April 28, 2024)

## PLAYING FOR MATCHES, SERIES AND TOURNAMENTS ORGANIZED BY SCYCA

The following rules and regulations outline the guidelines for participating in SCYCA-organized matches. This document aims to inform parents and players of the policies and procedures they must adhere to.

### **Policy:**

1. All parents/players are responsible for monitoring WhatsApp messages and responding promptly to consider participation in respective matches, series, or tournaments.
2. All parents/players must pay the match fee determined by SCYCA by the specified deadline.
3. Exceptions to the above requirement will only be considered upon receiving a written request explaining the reason for non-compliance.
4. SCYCA will publish match details as soon as they are negotiated.

### **Procedure:**

1. SCYCA will publish match, series, and tournament dates, locations, specific conditions, tournament fees, and payment deadlines.
2. SCYCA will create an event in Spond or other application used by SCYCA to check availability, with a deadline for responses.
3. SCYCA will inform parents if their respective player is considered for the published event and specify a deadline for payment of the match fee.
4. If payment is not received, SCYCA will approach standby players and notify them to make the match fee as required.
5. Once the team is finalized and payments are received, no changes will be made unless a player steps down.
6. Match fee payments are non-refundable, with no exceptions.

By adhering to these policies and procedures, we ensure smooth coordination and participation in SCYCA events.
